

our mission

is to help people with disabilities and seniors attain independence and dignity by creating opportunities for participation in the community

our vision

is to be the premier service provider in the community, powered by the highest level of quality and caring workforce dedicated to creating meaningful differences in the lives of those we serve

With assistance and coaching from our Vocational Services team, Nick was hired by Walmart over 1.5 years ago as a Greeter in their Asset Protection Dept. Nick absolutely loves his job and his co-workers often comment on what a pleasure it is to work with him. He is always willing to help out in any department as needed and enjoys learning new tasks. Nick is one of the many success stories that come from our Vocational Services program.
