

# PIONEER RESOURCES

Opening Doors of Opportunity

Dear Friend of Pioneer Resources,

As we prepare for 2024, we cannot help but look behind us and reflect on the years of service that Pioneer Resources has provided to our community. Since the 1940s we have been dedicated to supporting and enhancing the lives of those we serve. I am daily amazed at the legacy we are leaving and the legacy we are building as we work toward our vision of *becoming the premier service provider in our community, powered by the highest level of quality and a caring workforce dedicated to making a meaningful difference in the lives of those we serve.*

Our commitment to this vision is unwavering, but we cannot achieve it alone. We need your help and support to make it a reality. We invite you to take a moment to review our legacy report, which highlights our history and the milestones we have achieved over the decades. We are proud of our journey, but we also recognize that there is more work to be done in the years ahead.

As we head into 2024, you have the opportunity to create a legacy of your own by providing financial support for our ongoing efforts. Your contribution, whether recurring or one-time, will have a profound impact on our ability to continue offering essential services to those in need in our community.

Here are some of the critical areas where your support will make a difference:

**A Place to Live:** We provide affordable housing and specialized homes to ensure that individuals have a safe and comfortable place to call home.

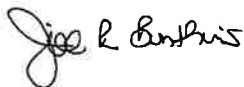

**A Place to Learn:** Our vocational training, ABA therapy, and community living support programs empower individuals to gain new skills, foster independence, and thrive.

**A Place to Grow and Play:** Through our camping and recreational programs, individuals can enjoy recreational activities, connect with their peers, and create lasting memories.

**A Way to Get There:** Our transportation services ensure that those we serve can access the opportunities and services they need to lead fulfilling lives.

Thank you for considering our appeal, and for being a vital part of our journey. ***Together, we can continue to build a legacy of compassion and empowerment that will be felt for generations to come.***

Sincerely,

Jill Bonthuis, CEO
