## Community Living Supports (CLS) & Skill Building

**Group Community Living Supports**, or Group CLS, is a place to learn, grow, and make new friends; a place to take advantage of what the community has to offer. Staff work with participants on goals such as community exploration, wellness activities, and socialization with others.

**Skill Building** is a model of community-based activities with goals based on the identified needs and desires of the person served. Our Skill Builders participate in volunteer work, soft skills practice, computer training, and job readiness skills.

Both programs typically run 9am-3pm, Monday-Friday with transportation provided. Group CLS is offered in Grand Haven as well as Muskegon.
