

A home, a job, a ride, a skill, an experience.

A community.

For the people we serve, these are more than simple needs — they're life-changing connections. For over 70 years, Pioneer Resources has been serving individuals with disabilities, evolving and adapting as needs grow and change within our community. But one thing that hasn't changed in 70 years, is our dedication and commitment to our mission.

OUR MISSION is to help people with disabilities and seniors attain independence and dignity by creating opportunities for participation in the community. And our mission depends on business, groups, and people like you to help bridge the funding gap! With your partnership, we can continue providing the services and programs that empower people with disabilities and their families.

Please consider our sponsor levels below - each designed to celebrate your support and highlight your commitment through various events, newsletters, and social media.

All sponsor levels include recognition at our popular Hats and Horses event, a Kentucky Derby themed fundraiser! Join us on May 2, 2026 at the Spring Lake Country Club for Hats and Horses 2026! Keep an eye out on social media and our website for more information, coming soon!
